IFE Founder and CEO
Coach Kathy Kemper

WITH HONORED GUESTS:

Dr. Robert Hormats
Under Secretary of State for Economic Growth, Energy and the Environment
and
Mr. Hiroyoshi Yoshiki
Chief Officer, Toyota Technical Administration Group

His Excellency Mr. Ichiro Fujisaki, the Ambassador of Japan, and Coach Kathy Kemper, Founder and CEO, Institute for Education (IFE) invite you to participate in a special discussion on innovation. The evening will focus specifically on the role of the vehicle in helping countries develop and utilize sustainable energy solutions. Given the longstanding embrace of automobiles by individuals and businesses around the world, utilizing the vehicle in finding solutions to the goal of developing sustainable energy is exciting. The guest speaker for the evening is Mr. Hiroyoshi Yoshiki, Chief Officer for Toyota’s Technical Administration Group. Mr. Yoshiki is responsible for worldwide R&D and innovation activities for the company; the worldwide leader in alternative vehicles. Under Secretary of State Robert Hormats will also participate in this special evening.
