

This year's [The Phillips Collection's](#) Gala After Hours took place at the Italian Embassy and was appropriately themed LA DOLCE VITA, designed by architect Piero Sartogo to invoke a Tuscan villa. The well dressed crowd enjoyed Italian savories and sweets, an espresso bar, classic martinis, a Ducati fleet, a DJ Set by DJ Michaelangelo L'Acqua and modern midnight bocce ball.

But lets face it, you are here to see what everyone wore/if you and yours made it into the photo set, so enjoy the great photos by Elizabeth:
