ABOUT NEXTGEN: NEXT GEN is a forum for Institute for Education interns and D.C. area high school and college students to meet with national and international political, business, and cultural leaders to exchange ideas with impact. NEXT GENers have frank and open discussions with game changers to learn about future trends and opportunities in an expanding global environment. NEXT GEN partners with the Pulitzer Center on Crisis Reporting and is modeled after IFE's flagship program, INFO Public Policy Roundtable, which is a mainstay in the Washington public policy arena, having hosted more than 250 prominent thought leaders as speakers over the past two decades.

ABOUT IFE: The Institute for Education's (IFE) mission is to recognize and promote leadership, civility, and finding common ground, locally, nationally, and in the world community. IFE also educates youth for global citizenship with programs that foster intercultural appreciation.
