Institute for Education Celebrates 25 Years with Supreme Court Justice Stephen Breyer & USCTO Megan Smith

To celebrate the milestone of its 25th season, the Institute for Education held a special INFO Salon featuring U.S. Supreme Court Justice Stephen Breyer and U.S. Chief Technology Officer Megan Smith on Thursday December 1st, 2016 in Washington D.C. Professor Dr. Jeffrey Miller from the University of Southern California Viterbi School of Engineering and Founder and Camp Director of CS@SC was in attendance. Professor Miller spoke about CS@SC's mission to offer free summer coding camps to underrepresented student populations. A few of the all-star campers flew out to our nation's capital for the event and shared how their experience at CS@SC has already made a profound impact on their lives. IFE is proud to be the founding partner of this free program.
