The Institute for Education (IFE) is a nonprofit organization committed to engaging the global community to harness the power of soft diplomacy, innovation, data, and technology. We partner with diplomats, entrepreneurs, technologists, journalists and leaders from across the political spectrum to promote bipartisanship, foster Washington D.C. culture, and encourage Tech-in-Gov.

IFE INFO Public Policy roundtable is over 27 years strong, with over 300 distinguished speakers including five Supreme Court Justices; a Nobel Laureate; three U.S. Chief Technology Officers; FCC, FTC, SEC Commissioners; a Vice President; 20 Ambassadors; 48 Senators; a Maestro; 30 senior advisors to the President of six administrations; the heads of the CIA, FBI, World Bank, and the National Academy of Sciences; five Governors; five mayors; two Fortune 500 CEOs; and a Miss America.

IFE has been honored to have the involvement of the Diplomatic community not only as guests, but their Embassies have hosted these prestigious roundtables-salons.
