Institute for Education

Harnessing the power of data, innovation and soft diplomacy in the global community

AMY GENG, MD

IFE Innovation Steward

Amy Geng, MD, has served as IFE's Innovation Steward since 2013. In this capacity, she has partnered Coach Kemper and the IFE team to advocate for technology and innovation in government, STEM education, and advancement of public health.

Dr. Geng is a board-certified in dermatology. She completed internship at Brigham and Women's Hospital/Harvard Medical School and residency training at Brown University. She was a research fellow at the Dana-Farber Cancer Institute, helping to establish DFCI's Zakim Center for Integrative Therapies.

Dr. Geng earned her medical degree from the Ohio State School of Medicine and was elected to the Alpha Omega Alpha honor medical society. She graduated with an AB in economics from Harvard and Radcliffe Colleges.
