BOB KOCHER, MD

Partner, Venrock | @BobKocher

Bob Kocher, MD is a Partner at Venrock and focuses on healthcare IT and services investments. He currently serves on the Boards of Virta Health, Aledade, Renew Health and Lyra Health as well as Devoted Health, both of which he also co-founded, and the Blue Cross insurance company Premera. He is a Board Observer at Grand Rounds, Stride, Doctor on Demand, and Suki. He is formerly a Director at Jiff and Castlight Health (CSLT).

Additionally, he is an Adjunct Professor at Stanford University School of Medicine and a Senior Fellow and Advisory Board Member at the Leonard D. Schaeffer Center for Health Policy and Economics at USC. He serves on the Advisory Boards of Harvard Medical School Health Care Policy Department and National Institute of Healthcare Management (NIHCM). He is also a member of the Health Affairs Editorial Board.

Prior to Venrock, Bob served in the Obama Administration as Special Assistant to the President for Healthcare and Economic Policy on the National Economic Council. In the Obama Administration, Bob was one of the shapers of the Affordable Care Act focusing on cost, quality, and delivery system reform and health IT policy. He was one of the leaders of the First Lady's "Let's Move" childhood obesity initiative, led the formation of the Partnership for a Healthier America, and served on the Federal Advisory Panel charged with developing a national obesity strategy. He also co-founded the Health Data Initiative with Todd Park, a joint effort of HHS and the Institute of Medicine, to release healthcare data to spur private sector innovation to improve healthcare cost and quality. For five years, he served as Co-Chair of the Health Datapalooza.

Before the White House, Bob was a Partner at McKinsey & Company where he led McKinsey Global Institute's healthcare economics work. He has worked widely across the US and international healthcare systems to improve regulatory policy, economic performance, labor productivity, clinical outcomes, and patient experience.

Bob received undergraduate degrees from the University of Washington and a medical degree from George Washington University. He completed a research fellowship with the Howard Hughes Medical Institute and the National Institutes of Health, and went on to complete his internal medicine residency training at the Beth Israel Deaconess Medical Center and the Harvard Medical School.

Institute for Education

Harnessing the power of data, innovation and soft diplomacy in the global community

COACH KATHY KEMPER

Founder and CEO, Institute for Education | @CoachKemper

COACH KATHY KEMPER is CEO and Founder of the Institute for Education (IFE), a Washington D.C.-based nonprofit committed to engaging the global community to harness the power of soft diplomacy, data, and innovation. In 2019, Kemper was recognized, alongside Jeff Bezos, as one of *Washington Life Magazine*' "Tech 25", a prestigious honor reserved for top technology innovators and disruptors. Extolled as "D.C.'s Networker-in-Chief" by *U.S. News and World Report*, Coach Kemper regularly convenes timely salons, forums, intimate discussions and invitation-only gatherings that draw senior White House and Congressional leaders, distinguished ambassadors and diplomats, business executives, journalists and technology innovators for debate and discussion. Past speakers have included Supreme Court Justices, a Vice President, Senators, Ambassadors, Nobel laureates, Cabinet secretaries, United States Chief Technology Officers, CEOs, and more.

A former professional tennis player, Coach Kemper served as head Women's Tennis Coach at Georgetown University from 1978 to 1990, and coached Georgetown's No. 1 player to the NCAA National Women's Division II title in 1983. Coach has spent more than 40 years coaching tennis for Washington's power brokers – hitting the courts with Supreme Court Justices, kings, queens, and United States Secretaries of State through six administrations at the White House court, Senate court and Embassy courts. Kemper has received awards and recognition from the Swedish, Chinese, and Japanese governments for her commitment to cross-cultural dialogue. In 2017, 3 U.S. CTOs awarded the Challenge Coin to Coach Kemper for her bipartisan leadership in technology. A frequent op-ed writer and columnist, her work has been featured in *The Hill*, *Roll Call*, *The Globalist*, *Huffington Post* and *USA Today*.
